

# FUNDRAISER

## volunteer

BAWDSEY RADAR TRUST

**Bawdsey Radar Trust (Charity No. 1125600) runs the award winning Suffolk radar museum on the site of the world's first operational radar station. We are looking for a volunteer Fund Raiser to join us for the next stage in our ambitious plans to help us grow.**

**Knowledge of radar is not essential as the Trust is seeking someone with experience and understanding of fundraising and grant applications within a voluntary sector environment.**

These are exciting times for the Trust as it builds on a successful 2019 season which saw the museum expand its activities following grants from the Heritage Lottery Fund, Historic England and many other sponsors. The museum was also delighted to receive the Suffolk Small Museum of the Year award.

We are looking for a volunteer with enthusiasm, time and good communication skills. The role is very flexible as many fundraising opportunities will arise adhoc and events may take place at the weekend. In addition we will be applying for further grants and sponsorship to support our future plans.

Please send expressions of interest and a CV to [secretary@bawdseyradar.org.uk](mailto:secretary@bawdseyradar.org.uk) by 28th February.

An information pack is available by contacting the same email address.
